🌐 cloudninecollege.com

Located in the heart of downtown Vancouver, Cloud Nine College is characterized by its high academic standards and for hosting a wide variety of international students who year after year select CNC as the institution to build pathways to their future

At CNC, lectures are delivered by certified and highly experienced teachers in small classes comprising of a maximum amount of 15 students

CNC offers Co-Op programs which are designed to integrate academic study with the work experience. The duration of a typical Co-Op program is one year in which a student will study for 6 months and complete industrial training for the rest of the 6 months.

Students will have a Co-Op coordinator appointed by CNC, who will guide and support students in finding a job for the industrial training. Upon completion students will receive a solid training that will make them feel confident in the skills the newly acquired which can be used for further employment.

The Private Training Institutions Branch (PTIB) Certified

Education Quality Assurance (EQA) Designation

Proud institution of Government Brand "EduCanada" (CMEC)

All about Co-Op courses

Co-Op Program, short for Co-Operative education, is a program that helps students develop and perfect professional skills. Co-Op programs balance classroom theory with hands-on experience at the workplace. Simply it will allow you to test-drive your career and studies. At the end of the program you will gain work experience and relevant academic qualifications

Below Co-Op courses offer students an entry pathway into fields of Business, Sales & Marketing and Hospitality and gain valuable Canadian work experience through Co-Op placements

An alternate to IELTS/TOEFL

For students without IELTS/TOEFL, CNC offers English language Level B2 and C1 programs and relevant testing if required

Programme	Duration
Hotel and Restaurant Management Co-Op Certificate	51 weeks
Hotel and Restaurant Management Co-Op Diploma Professional	93 weeks
Sales Co-Op Certificate	51 weeks
International Trade and Business Management Co-Op Diploma	93 weeks

Student Testimonials

Yuka Maruyama

Living in Canada is a wonderful experience. I had the opportunity to connect and interact with people from other cultures and age groups, which has broadened my perspective. At Cloud Nine College, the Student Council organized various enjoyable activities that have also helped me hone my English skills. Furthermore, in my marketing class, I learned so much about business and became more interested in it.

Masami Shiozaki

At Cloud Nine College, apart from learning business management in English, I was able to express myself in my own words and make presentations, but I also acquired the knowledge and skills necessary for finding a job and living in Canada. I also improved my ability to work together with my classmates to solve difficult and challenging problems and concepts I didn't fully understand.

Rui Suzuki

At Cloud Nine College, I learned about the basics of Interpersonal Communications and Technology Enhanced sales. For Example, I knew that smart objectives are useful to create social media marketing planning. In addition, I could develop various practical skills such as editing high-quality video, researching skills to search for business opportunities in different countries. I also spent a lot of time researching how to find a job in Canada.

Reiya Hiraoka

When I am in Japan, I don't have much experience making presentations or presenting something in front of other students. I usually get nervous at first and forget everything. However, studying at Cloud Nine College really helped me get through it, and I eventually got used to doing it. Big thanks to my professors! I now feel more confident and love to do presentations.
